# Whole Roasted Pig

If you would like to make an unforgettable impression on your guests remember to invite a pig to your celebration. That's right, a whole pig complete with an apple in its mouth will be something your guests will not soon forget!

We will deliver a whole roast pig to your event and your guests will marvel over it for some time before we begin to slice and serve it right before their eyes.

The tender, steaming pork is moist enough to eat by itself or you can compliment it with our delicious Sweet & Sassy barbecue sauce. This extraordinary main course can be completed with any of our delicious side dishes. For more information or a personal quote, call Marx Barbecue & Catering at **(812) 425-1616**.
